

KR PW1800

Komfi-Rider PW1800

Performance, comfort and convenience

- > Fully collapsible for easy transportation
- > Solid tyres mean no danger of punctures
- > Turns in its own length for total manoeuvrability

Komfi-Rider PW1800

The Komfi-Rider PW1800 gives you a truly comfortable ride combined with excellent manoeuvrability and foldaway convenience.

Both armrest and footrest height are adjustable, and the armrests can be flipped back or removed, for easy side transfer. A thick foam cushion gives superior comfort, while a safety lap belt provides reassurance and safety.

The PW1800 is ideal both indoors and outdoors, turning in its own length to handle the tightest corners and most awkward tasks quickly and easily.
