- > Easy access tiller charger and powerful LED front light
- > Amazingly light weight and easy to drive
- > Fast & easy to assemble & disassemble

# Vogue

The Vogue provides the ultimate in luxury, comfort and ease of use. The advanced engineered full front and rear suspension complete with the fully adjustable luxury padded seat gives a fantastically comfortable and enjoyable driving experience.

The lightweight design allows you to quickly and safely lift the scooter into and out of the boot of your car and the user-friendly splitting design enables you to assemble and disassemble the scooter quickly and easily for transport or storage.

The unique design of the front shroud and the fully adjustable seat allows users of all heights to have a comfortable and spacious seating position.

For those who want to travel extra miles or would just like the assurance of larger batteries, then the interchangeable battery box enables a quick and cost-effective upgrade from the standard 12AH batteries to larger 21AH batteries.

Extra user-friendly features include the easy to access tiller charger port, powerful front LED light, easy-grip delta tiller and optional rear mounted crutch holder. With its wide range of stylish colours the Vogue offers you freedom in more ways than one!

Enjoy your Vogue – Enjoy your freedom!
