Extra wide fully profiling care bed

- Manufactured with a heavy duty steel frame and motors allowing a user weight of up to 28St.
- The extra wide 1200mm mattress platform gives a spacious and comfortable user environment
- Comes with safety side rails as standard

Ocean Care Bed 1200

The Ocean Care Bed 1200 is a fully profiling care bed with the high-low function. Manufactured in Europe with a heavy duty steel frame with beech finish on the head and foot boards, it is both practical and stylish. Beech finished safety sides come as standard with the heavy duty motors allowing for a user weight of up to 28 stone. The wide 1200mm mattress platform gives the user a lot more space and comfort than the conventional 900mm smaller size beds.
