# Zoom Ultra

The Zoom Ultra is an extremely lightweight stylish rollator that provides you with a comfortable, safe and convenient way to move around. It is very fast to fold and unfold for storage and transportation making it easy to take wherever you go. With its multiple handle adjustments, you are ensured of achieving the perfect fit, making sure you can walk comfortably and safely. The large supportive backrest with cushioned seat provides ultimate comfort allowing you to sit down and rest when ever needed. Other great features of the Zoom Ultra include its large zipped bag for safe & secure storage which allows users to carry their personal belongings with them, the large brake pads with high-quality components providing fast effective braking ensuring you can stop quickly and safely when needed. The soft-roll PU tyres improve stability and tyre grip on slippery surfaces such as laminate floors and improve shock absorption and user comfort which makes it easier for users to walk on different surfaces without slipping or falling. Finally, the stick holder allows for the safe storage of you walking stick or crutches which ensures that you can have your walking aids close at hand when you need them.
